- Hg contains pistachio
- Hh contains macadamia nuts
- I contains celery
- J contains mustard
- K contains sesame
- L contains sulphur dioxide & sulphites
- M contains lupin
- N contains mollusca

Allergen-related data is based on information from manufacturers and suppliers. Based on the variety of products and the simultaneously processing various foods, we cannot completely discount cross-contamination and products of 1.25% in traces from not labelled ingredients.

Therefore, we cannot unfortunately completely exclude cross-contamination.
